RE: Letter of Reference for Fox Translation

To whom it may concern,

The Canadian Wind Energy Association has been relying on Fox Translation services for the last 3 years for our translations and we are very satisfied with the service.

We are a Canadian association that tries to have most of our important documents available in French and English. We have been relying on Fox Translation mostly for translation from English to French.

We have found the service provided by Fox Translation to be excellent. The translations are always first-rate and on-time. The staff at Fox Translation is courteous and always available. All efforts are made to meet our sometimes very short deadlines.

We are very pleased with the services provided by fox Translation.

Sincerely,

Robert Hornung,
President
